SERVICE BULLETIN (NO. 9)

The transit drums shown below are being changed as indicated. Please mark your catalogs and price list to reflect these changes.

64003 - Being redesigned to include vents.
New design will be available late March.

64019 - Will become obsolete when present inventory is depleted. Will be replaced by the 64003 with vents.

If you have any questions with regards to the above please advise.
