SERVICE BULLETIN (No. 13)
(NOTICE OF OBSOLESCENCE)

275

(6 SPOKE — 20" TRAILER WHEEL)

Because of a decline in sales and the condition of the pattern, it has been determined that we should discontinue producing the above trailer wheel. Please mark your records to show that the above part is obsolete effective immediately, and that it will no longer be available.

This obsolescence will affect the following interchanges in our current Wheel and Hub Catalog TBTW1285.
