

## Alternate Features on Webb Hubs

The purpose of this bulletin is to inform customers of the alternate features available on Webb hubs. Webb's standard hub offering includes a press-on tone ring and no oil fill plug. However, depending upon availability at the time of order, you may receive a Webb hub with any of the alternate features outlined below. If you have any questions about this bulletin, please contact Webb's Technical Service Department via email to [engineering@webbwheel.com](mailto:engineering@webbwheel.com) or call 800-633-3256.

**Direct machined ABS tone ring**

**Press-on ABS tone ring**

**Oil fill plug**

**No oil fill plug**
