SERVICE BULLETIN (No. 31)

67434B REPLACED BY 67486B

Effective immediately, Webb brake drum part number 67434B is being replaced by Webb brake drum part number 67486B.

This change will affect information shown in both our Spoke Wheel and Hub Catalogs TBTW1192 and Brake Drum Catalog TB793BD.

In our Spoke and Wheel and Hub Catalog the 67434B is shown as available on the Hubs listed below. Use of the 67486B will cause the "Cup to end of drum" dimension (Column B) and the "Drum overall Depth" dimension (Column H) to change. The new dimensions are shown below opposite the part number of the hubs on which the 67434B was used.

<u>Hub Part No.</u>	<u>Column D</u>	<u>Column H</u>
2023	11.61	12.15
2091	11.61	12.15
2321	10.61	12.15
2323	10.61	12.15
2621	10.59	12.15
2623	10.59	12.15
2613	10.58	12.15

In our Brake Drum Catalog TB793BD all information on the 67434B should be deleted. A New Product Bulletin is in process and will be forwarded as soon as possible on the 67486B brake drum.
