## SERVICE BULLETIN NO. 40A

This bulletin is issued to correct portions of our Service Bulletin No. 40 issued on April 21, 1995.

Service Bulletin No. 40 was issued to advise you of several products which are being discontinued as a part of our product line.

**The products being discontinued will be obsolete as inventory is depleted.** Please continue to order the product being discontinued. You will be advised with entry of your order when inventory is depleted and that the replacement product should be ordered.

Shown below is a list of products you may purchase in place of the products being obsoleted.

We appreciate your assistance. Should you have any questions regarding this bulletin, please let us know.
