The purpose of this bulletin is to advise changes to our procedures covering Emergency (Breakdown) orders. This is defined as an order requested to ship the same day or next day and must not exceed four (4) pieces.

1. **Handling Charge**
We will apply a \$100.00 Special Handling Fee to each Emergency (Breakdown) order received.
2. **Scheduling**
 - (a) Orders for brake drums or rotors will be shipped the same day if the order is received before 2:30 P.M. (Central Time), and if the brake drum or rotor is in stock and available for shipment. Orders received after 2:30 P.M. will be shipped the following day.
 - (b) Orders for hubs or wheels that require assembly will be shipped the next day if the order is received before 2:30 P.M. (Central Time), and if the hub or wheel and components are in stock and available for shipment.
3. **Confirmation**
The Emergency (Breakdown) order must be confirmed with a FAX or email stating the ship-to address, requested routing and routing account number for air carrier prior to shipment.
4. **Shipment**
We will do our best to ship all orders as promised. In the event that an Emergency (Breakdown) order is not shipped as promised the following will take place:
 - (a) The \$100.00 Special Handling Charge (Item 1) will be waived.
