

SERVICE BULLETIN # 89

3/1/05

New Part Numbers (Aftermarket Accounts Only)

Webb's most popular drums now available in full pallet quantities.

These part numbers will be available to purchase on shipments made after April 1st, 2005. To take advantage of this, please order the brake drums using the part number listed below. This will specify a pallet of 20.

For example, to receive **one full pallet of the 66864B**, order 1-66864B20.
